

	Monday	Tuesday	Wednesday	Thursday	Friday
9-10am	Weekly Round Up Who said you can't build a team online? A BTC camp counselor will set the tone for the week! Camp spirit here we come. Get to know other campers while playing an Icebreaker improv game. A preview of the week will be given and different badges that can be earned will be announced.	Interactive Story Time Original stories, Tofina and Coca will engage and delight campers (and adults) of all ages. These stories are interactive, entertaining, and oh so fun as the duo lets you in their different adventures.	Optional: Outdoor Experience Play safely outdoors with our camp buddies. With a ratio of 1:3, Scooter or bike around the neighborhood with your counselor and friends, or play a game of scavenger hunt around town. Play water games outdoors to cool down and have fun. Paint or create a project outdoors.	Beat The Clock Challenge Wake up to a challenge and get ready to beat the clock playing games with your camp buddies online.	Optional: Outdoor Experience Play safely outdoors with our camp buddies. With a ratio of 1:3, Scooter or bike around the neighborhood with your counselor and friends, or play a game of scavenger hunt around town. Play water games outdoors to cool down and have fun. Paint or create a project outdoors.
11am-12pm	Special Guest A special professor will zoom in live and ignite your curiosity and excitement as you learn a concept about this week's theme. A hands-on project will follow and materials will be supplied!	Painting, Part 1 A weekly painting tutorial will enable campers to complete a unique themed design. Students will work in acrylic paint, which is a vibrant, polymer-based, quick drying medium perfect for experimentation. Color mixing basics, brush care, brush loading and paint application, basic 3D effects using light and shadow will be covered. Campers will also experiment with impressionism, abstraction, and simple realism as well as other styles and techniques. All instruction will be age appropriate and FUN with plenty of room to go with the flow and follow where the paint leads.		Painting, Part 2 Add the finishing touches to your project. Learn more techniques every artist needs to know to enhance their painting.	
1-2pm		Optional: Outdoor Experience Play safely outdoors with our camp buddies. With a ratio of 1:3, Scooter or bike around the neighborhood with your counselor and friends, or play a game of scavenger hunt around town.	Drawing, Part 1 We will explore various cartoon characters that fit the weekly theme and learn how to draw it using step by step instruction, using paper, pencil and an eraser.	Optional: Outdoor Experience Play safely outdoors with our camp buddies. With a ratio of 1:3, Scooter or bike around the neighborhood with your counselor and friends, or play a game of scavenger hunt around town.	Drawing, Part 2 Color and perfect your sketch from the previous class with adding details to your picture!
2:30-3:30pm	Let's Make a Snack Craft Learn how to make a no- bake snack that aligns with this week's theme. Adult assistance is not necessary.	Play water games outdoors to cool down and have fun.	Kid Friendly Spooky Campfire Story Time End the day with a spooky campfire story that will send campers on the edge of their seats but not enough to keep them awake all night.	Play water games outdoors to cool down and have fun.	Spooky Campfire Story Tickle your funny bone with a silly story around the campfire.
3:30-4:30pm		Paint or create a project outdoors.		Paint or create a project outdoors.	
4-5pm	LIVE Scavenger Hunt Test your spy skills and see if you can solve these interactive scavenger hunt.				Weekly BLOW OUT Blow out the week and find out how many badges you won! Each camper who gets the most badges get to pie the counselor of their choice!
5-5:30pm					
5:30-6pm	Child-Led Class Exercise your leadership skills and try to earn a Courage Badge if you sign up to host a class and teach other campers or counselors a skill you want to share.
